

SCHEDULED CONTRIBUTIONS

Did you know that you can set up scheduled contributions to Immaculate through your bank. The contributions can be made weekly, bi weekly or monthly. Most banks offer online service to do this or you can go by your bank and they will help you set this up. You can even have your envelope number printed on the check to help us track your contributions. A number of families are already doing this and we have been told it is very simple to do and with no additional cost to you. If you are interested in doing this call your bank and they will help get you started. We can also do a direct debit from your bank account each month. We have a form that has to be signed by you and we also need a blank voided check.

THANK YOU for supporting your parish!
