

SCRIP FOR IMMACULATE

Scrip cards purchased through OCS can now benefit Immaculate Parish. When you purchase cards at the OCS Scrip office simply notify them that you want the money earned from that purchase to be credited to Immaculate and that will help to lower our school subsidy. Our *annual* school subsidy is currently over \$500,000.

There is a change coming from Kroger for the purchase of their car& effective Sept. 1, 2014. You will no longer be able to use your reloadable cards at the Kroger store. You will have to purchase gift cards at the scrip office each time you need more. But again, the 3% earned from that purchase can be applied to Immaculate. Additional credit for Immaculate can be earned by linking your Kroger Plus Card to Immaculate. If you do this Immaculate will earn 1-2% when you use your Kroger Plus Card and you will still earn gas points. Your Plus Card will have to be registered online. We have applied for an organization number from Kroger and as soon as we receive it we will communicate the web site and organization number to you. For anyone without Internet or who is uncomfortable going online just call the office and we will schedule a time when you can come by and we will be glad to help you register. **WATCH THE BULLETIN FOR THE KROGER PLUS CARD ORGANIZATION NUMBER AND WEBSITE ADDRESS!**

Scrip cards are such an easy way to generate extra income for the parish. Going out to eat? Going for gas? Going to the grocery? Shopping for clothes? Just go by the OCS Scrip office and pick up scrip cards, ask them to apply the money earned to Immaculate, and the money that you are already planning to spend will aid the parish.
